

Post-Graduate Diploma in Economics

Specialise in Finance, Data Analytics or Public Policy
One Year Course, Starting 2018

Joint program with Mumbai School of Economics & Public Policy

Meghnad Desai
Academy of Economics

ABOUT THE PROGRAM

The 1-year program at the Meghnad Desai Academy of Economics (MDAE) is designed to nurture acumen of individuals with a focus on developing not just conceptual rigour but also practical intuition.

Through a marriage of thorough academic training, interdisciplinary exposure and ongoing mentorship,

MDAE trains students for real world jobs of today and tomorrow.

During the Program, students undergo over 350 hours of classroom teaching, regular interactions with practitioner economists, internships, live projects and software workshops.
